Claude is a wonderful character but we especially love the enigmatic Sir Bobbly Sock who always makes us smile. The illustrations are delightful, the stories are entertaining and funny. The Claude books are some of the best children's books about (and I read a lot.)

Claude in the Country: Amazon.co.uk: Smith, Alex T.: Books
Claude Bernard, (born July 12, 1813, Saint-Julien, France—died Feb. 10, 1878, Paris), French physiologist known chiefly for his discoveries concerning the role of the pancreas in digestion, the glycogenic function of the liver, and the regulation of the blood supply by the vasomotor nerves.

"Story written with permission of the California Academy of Sciences."

Harriet is leaving her boyfriend Claude, “ the French rat. ” That at least is how Harriet sees things, even if it ’ s Claude who has just asked Harriet to leave his Greenwich Village apartment. Well, one way or another she has no intention of leaving. To the contrary, she will stay and exact revenge—or would have if Claude had not had her unceremoniously evicted. Still, though moved out, Harriet is not about to move on. Not in any way. Girlfriends circle around to patronize and advise, but Harriet only takes offense, and it ’ s easy to understand why. Because mad and maddening as she may be, Harriet sees past the polite platitudes that everyone else is content to spout and live by. She is an unblinkered, unbuttoned, unrelenting, and above all bitingly funny prophetess of all that is wrong with women ’ s lives and hearts—until, in a surprise twist, she finds a savior in a dark room at the Chelsea Hotel.

Claude is no ordinary dog—he leads an extraordinary life! When Mr. and Mrs. Shinyshoes leave for the day, Claude and his best friend Sir Bobblysock take a walk in the park. Suddenly, a woman calls for help, and they find themselves rescuing a runaway baby carriage—with the baby still inside! To reward their heroism, The Amazing Alan invites them to watch his circus. They arrive early, and, as he ’ s been on a cleaning frenzy lately, Claude decides to tidy up the big top. In the process, he accidentally sabotages the performers ’ equipment. But the show must go on—even if Claude and Sir Bobblysock have to put on the entire thing themselves! Quirky, delightfully odd, and positively surreal, Alex T. Smith ’ s illustrated early chapter book series promises giggle-filled bedtime reading and a laugh-out-loud option for readers transitioning from picture books to chapter books.

Claude is no ordinary dog – he leads an extraordinary life! Claude and his best friend, Sir Bobblysock (who is both a sock and very bobbly), go to the City for the very first time. They go shopping, visit a museum, foil a robbery, and heal an entire hospital waiting room full of patients. All in all, a most satisfactory day for this delightful duo. Quirky, delightfully odd, and positively surreal, Alex T. Smith ’ s illustrated early chapter book series promises giggle-filled bedtime reading and a laugh-out-loud option for readers transitioning from picture books to chapter books.

Late in Claude Rains ’ s distinguished career, a reverent film journalist wrote that Rains “ was as much a cinematic institution as the medium itself. ” Given his childhood speech impediments and his origins in a destitute London neighborhood, the ascent of Claude Rains (1889 – 1967) to the stage and screen is remarkable. Rains ’ s difficulties in his formative years provided reserves of gravitas and sensitivity, from which he drew inspiration for acclaimed performances in The Invisible Man (1933), Mr. Smith Goes to Washington (1939), Casablanca (1942), Notorious (1946), Lawrence of Arabia (1962), and other classic films. In Claude Rains: An Actor ’ s Voice, noted Hollywood historian David J. Skal draws on more than thirty hours of newly released Rains interviews to create the first full-length biography of the actor who was nominated multiple times for an Academy Awards for Best Supporting Actor. Skal ’ s portrait of the gifted actor also benefits from the insights of Jessica Rains, who provides firsthand accounts of the enigmatic man behind her father ’ s refined screen presence and genteel public persona. As Skal shows, numerous contradictions informed the life and career of Claude Rains. He possessed an air of nobility and became an emblem of sophistication, but he never shed the insecurities that traced back to his upbringing in an abusive and poverty-stricken family. Though deeply self-conscious about his short stature, Rains drew notorious ardor from female fans and was married six times. His public displays of dry wit and good humor masked inner demons that drove Rains to alcoholism and its devastating consequences. Skal ’ s layered depiction of Claude Rains reveals a complex, almost inscrutable man whose nuanced characterizations were, in no small way, based on the more shadowy parts of his psyche. With unprecedented access to episodes from Rains ’ s private life, Skal tells the full story of the consummate character actor of his generation. Claude Rains: An Actor ’ s Voice, gives voice to the struggles and innermost concerns that influenced Rains ’ s performances and helped him become a universally respected Hollywood legend.

This book, the first on van Itallie's theater, examines how his experiments with dramatic structure have expanded the limits of theater. Experimenting with diverse dramatic forms van Itallie has done more to expand the range of dramatic structure than any American playwright since O'Neill. This book also illuminates the Off-Off Broadway era.

This collection of essays celebrates the work of the French Nobel prize-winning novelist Claude Simon. Scholars reconsider the fifty years of Simon's fiction in the light of his large-scale autobiographical novel, 'Le Jardin des Plantes' (1997). From a variety of perspectives - postmodernist, psychoanalytic, aesthetic - chapters reflect on the central paradox of Simon's work: his writing and rewriting of an experience of war so disruptive and traumatic that words can never be adequate to communicate it.

This book introduces novels by the Nobel Prize for Literature author, Claude Simon, giving emphasis to peaks in his literary achievement.
