2016 Susan Branch Wall Calendar by Susan Branch ...

I love Susan Branch art, tips, quotes, and recipes. I have all of her cookbooks, her recent travel book. I also buy my mother a new Susan Branch calendar every Christmas. The annual SB calendar is a tradition going strong for almost 25 years! My only regret is that we didn't save all our previous years' calendars.

Revised and expanded edition of Susan Branch's first illustrated cookbook published in 1986.

"In the winter of 1982, long before she became the watercolor artist and author we know today, Susan Branch, 34-years-old and heartbroken from the sudden and unexpected end of her marriage in California, "ran away from home" to the Island of Martha's Vineyard hoping to gain perspective. It was meant to be temporary, a three-month time-out from the daily grind of being broken up and miserable, but within days of her arrival, alone and not quite in her right mind, Susan "accidentally" bought a tiny one-bedroom cottage in the woods - which is how she discovered she was moving 3,000 miles away from everyone and everything she had known and loved. Funny, observant, touching, and addictive (you are not going to want this book to end), based on the diaries she has kept all her life, Susan Branch relates her inspirational tale

of lost love and self discovery, her search for roots, purpose, and destiny with laugh-out-loud honesty. A road map for overcoming loss, following your heart, and making dreams come true, charmingly hand-lettered and watercolored in Susan's inimitable style, there are diary excerpts, recipes, and hundreds of photographs."--Provided by Amazon.com.

Based on the diaries Susan has kept since she was in her 20s, *The Fairy Tale Girl* is book one of a two part series. Together the books are an illustrated memoir, charmingly designed in Susan's style with her whimsical watercolors and personal photographs. It's an enchanting story of love and loss, mystery and magic that begins in a geranium-colored house in California, and ends up, like any good fairy tale, on the right side of the rabbit hole, in a small cottage in the woods on the New England Island of Martha's Vineyard. *The Fairy Tale Girl* humorously explores Susan's journey as an artist and as a girl/woman, from the 1950s through the 1980s. In the first book of the series we get a revealing view of Susan's early life as the oldest of eight children and the marriage she imagined would be forever; it's filled with inspiration, romance and discovery, and a leap into the unknown.

A Fine Romance - Falling in Love with the English Countryside is travel writing at its best by New York Times best-selling author Susan Branch. This charming book is part love story, part travel guide - a hand-written and watercolored diary/journal of Branch's six-day transatlantic crossing on board the *Queen Mary 2* and two-month ramble over the backroads of rural England. There are over three hundred photos, countless watercolor illustrations, wonderful quotes, recipes, a book list, a movie list, hand-drawn maps and much more. Travel with Susan as she makes her way around hedgerows and through wildflower meadows to visit the homes and gardens of her literary and artistic heroes, including Beatrix Potter and Jane Austen. It's a travel guide that will help you plan a trip of your own, lovely for the armchair traveler because Susan really does take you there, and perfect for all *Downton Abbey* anglophiles. When you are finished, go to Susan's website where there is an interactive Appendix to the book you can experience driving across the Dales with Susan's own videos and find links to everything she writes about, the cottages and gardens you will want to see yourself. *A Fine Romance* is book three of Susan Branch's autobiographical trilogy. First in order is *The Fairy Tale Girl*, followed by *Martha's Vineyard - Isle of Dreams*, and finally *A Fine Romance - Falling in Love with the English Countryside*. All three are hand-lettered, watercolored, filled with photos, recipes and quotes and, as Susan says, "as much magic as I could possibly stuff between the covers." Bon Voyage!

This document is one of two evidence-based cornerstones of the World Health Organization's (WHO) new initiative to develop and implement evidence-based guidelines for family planning. The first cornerstone, the *Medical eligibility criteria for contraceptive use* (third edition) published in 2004, provides guidance for who can use contraceptive methods safely. This document, the *Selected practice recommendations for contraceptive use* (second edition), provides guidance for how to use contraceptive methods safely and effectively once they are deemed to be medically appropriate. The recommendations contained in this document are the product of a process that culminated in an expert Working Group meeting held at the World Health Organization, Geneva, 13-16 April 2004.

Still Notorious, Radical, and Revolutionary 50 Years Later. A survival guide from one of the greatest creative organizers of the 20th century—now with a new foreword by co-conspirator, Lisa Fithian. Throughout the 1960's and 70's, Abbie Hoffman criss-crossed the country, ferreting out alternative ways of getting by in America—some illegal and all radical. Causing scandals with its advice on how to *Survive!*, *Fight!*, and *Liberate!* in the “prison that is

Amerika," Steal This Book is a revolutionary's manual to running a guerilla movement, as well as getting free food, housing, transportation, medical care, and more. This anniversary edition gives a new generation an insider's view into the movements of the sixties and seventies. While many of the holes in the system that Abbie exposed have since been plugged, the spirit of revolution, the dedication to opposing injustice, and the passion of creative activism continue to inspire today.

A celebration of friendship and food shares tips on the "art of the home" with readers, featuring recipes, tips on style and decorating, clothes advice, and much more. 100,000 first printing.

A treasury of the author's watercolor paintings, quotations, personal anecdotes, and celebratory ideas is presented in a weekly appointment journal that offers additional space to record important events.
