Some of our most cherished memories are of visits to Grandma's house...and the wonderful meals she cooked for us. When she called us down for breakfast, we knew there would be homemade caramel rolls and hot cocoa waiting, just for us. In chilly weather, there was always a hearty kettle of vegetable soup or chili simmering on her stove. At dinnertime, the table overflowed with tender chicken and noodles or slow-baked pot roast, buttery mashed potatoes, brown sugar carrots (because she knew we wouldn't eat them, otherwise!) and salads, fresh-picked from her garden. Her cookie jar was filled with our favorite snickerdoodles or chocolate chip cookies, and there was always a frosted layer cake in the cake stand. So many delicious memories! From Grandma's Recipe Box is chock-full of all these recipes and more, shared by cooks like you, handed down through generations and still enjoyed today. We've included easy tips for adding down-home flavor to meals, and for making get-togethers with family & friends special. If you enjoy old-fashioned comfort food, you'll love the recipes in this cookbook! 225 Recipes

The first Black person to win The Great American Baking Show shares her story of personal growth and more than 100 delicious recipes. Popular baking personality and lawyer turned baker Vallery Lomas was ecstatic when she learned she won the third season of The Great American Baking Show. However, her win was never seen by the world--Vallery's season was pulled after just a few episodes when one of the judges became a focal point in a Me Too accusation. Rather than throwing in her whisk and lamenting all of the missed opportunities she hoped to receive (Book deal! Product endorsements! TV show!), she held her head high and hustled--which resulted in her getting press coverage everywhere from CNN to People magazine. Now, Vallery debuts her first baking book. With 100 recipes for everything from Apple Cider Fritters to Lemon-Honey Madeleines and Crawfish Hand Pies to her Grandma's Million Dollar Cake. Vallery shares heirloom family recipes from her native Louisiana, time spent in Paris, The Great American Baking Show, and of course sweets and breads inspired by her adopted hometown, New York City. Vallery's "when life gives you lemons, make lemon curd" philosophy will empower legions of bakers and fans to find their inner warrior and bake their best life.

A chemical engineer before she became a baker, Weller uses her scientific background to explain the whys and hows of baking, so home cooks can achieve perfect results every time.
