WONDER IS NOW A MAJOR MOTION PICTURE STARRING JULIA ROBERTS AND JACOB TREMBLAY! Over 6 million people have read the #1 New York Times bestseller Wonder—the book that inspired the Choose Kind movement—and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. Last year readers were given a special look at another side of his story with The Julian Chapter, and now they'll get a peek at Auggie's life before Beecher Prep, with an exclusive new short story told entirely from the point of view of Christopher, Auggie's oldest friend. Christopher was Auggie's best friend from the time they were babies until his family moved away; he was there through all of Auggie's surgeries and heartbreaks, through bad times and good—like Star Wars marathons and dreams of traveling to Pluto together. Alternating between childhood flashbacks and the present day, an especially bad day for Christopher, Pluto is the story of two boys grown apart learning that good friendships are worth a little extra effort.

WONDER IS NOW A MAJOR MOTION PICTURE STARRING JULIA ROBERTS AND JACOB TREMBLAY! Over 6 million people have read the #1 New York Times bestseller Wonder—the book that inspired the Choose Kind movement—and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. From the very first day Auggie and Julian met in the pages of R. J. Palacio's life-changing book Wonder, it was clear they were never going to be friends, with Julian treating Auggie like he had the plague. And while Wonder told Auggie's story through six different viewpoints, Julian's perspective was never shared. Readers could only guess what he was thinking. Until now. The Julian Chapter will finally reveal the bully's side of the story. Why is Julian so unkind to Auggie? And does he have a chance for redemption?

In her first novel since The One and Only Ivan, winner of the Newbery Medal, Katherine Applegate delivers an unforgettable and magical story about family, friendship, and resilience. Jackson and his family have fallen on hard times. There's no more money for rent. And not much for food, either. His parents, his little sister, and their dog may have to live in their minivan. Again. Crenshaw is a cat. He's large, he's outspoken, and he's imaginary. He has come back into Jackson's life to help him. But is an imaginary friend enough to save this family from losing everything? Beloved author Katherine Applegate proves in unexpected ways that friends matter, whether real or imaginary. This title has Common Core connections.

Dory, the youngest in her family, is a girl with a very active imagination, and she spends the summer playing with her imaginary friend, pretending to be a dog, battling monsters, and generally driving her family nuts.

In a gripping thriller with a hint of Oliver Twist, a street kid and his dog are chasing an unlikely fortune — and dodging the thugs who would steal it. Twelve-year-old Bully has lost his mum and his old life. Living rough on the streets of London with his dog, Jack, he can ' t imagine a future. But one day he finds, tucked inside his most cherished possession—the last birthday card his mother ever gave him—a lottery ticket he bought her. And it ' s a winner. A big winner. Suddenly there ' s hope, if only he can get to his prize on time! But just as Bully ' s prospects open up, peril closes in. Now ruthless gangsters are in hot pursuit, and everyone wants a piece of him. Whom can he trust to help him retrieve what's his? And even if Bully does claim all that money, will he really be winning what he needs most? Michael Byrne's thrill-packed debut delivers the emotionally charged story of a boy whose luck has changed for the better, if only he can

survive long enough to claim it.

What does it mean to be fully alive? Magic blends with reality in a stunning coming-of-age novel about a girl, a grandfather, wanderlust, and reclaiming your roots. Things are only impossible if you stop to think about them. . . . While her friends are spending their summers having pool parties and sleepovers, twelve-year-old Carolina — Carol — is spending hers in the middle of the New Mexico desert, helping her parents move the grandfather she 's never met into a home for people with dementia. At first, Carol avoids prickly Grandpa Serge. But as the summer wears on and the heat bears down, Carol finds herself drawn to him, fascinated by the crazy stories he tells her about a healing tree, a green-glass lake, and the bees that will bring back the rain and end a hundred years of drought. As the thin line between magic and reality starts to blur, Carol must decide for herself what is possible — and what it means to be true to her roots. Readers who dream that there 's something more out there will be enchanted by this captivating novel of family, renewal, and discovering the wonder of the world.

The New York Times bestselling author of *A Man Called Ove*, *My Grandmother Asked Me to Tell You She 's Sorry*, and *Anxious People* captivates readers with this “ warm and satisfying ” (People) story “ about a woman rediscovering herself after a personal crisis. . . fans of Backman will find another winner in these pages ” (Publishers Weekly). Britt-Marie can 't stand mess. A disorganized cutlery drawer ranks high on her list of unforgivable sins. She is not one to judge others—no matter how ill-mannered, unkempt, or morally suspect they might be. It 's just that sometimes people interpret her helpful suggestions as criticisms, which is certainly not her intention. But hidden inside the socially awkward, fussy busybody is a woman who has more imagination, bigger dreams, and a warmer heart than anyone around her realizes. When Britt-Marie walks out on her cheating husband and has to fend for herself in the miserable backwater town of Borg—of which the kindest thing one can say is that it has a road going through it—she finds work as the caretaker of a soon-to-be demolished recreation center. The fastidious Britt-Marie soon finds herself being drawn into the daily doings of her fellow citizens, an odd assortment of miscreants, drunkards, layabouts. Most alarming of all, she 's given the impossible task of leading the supremely untalented children 's soccer team to victory. In this small town of misfits, can Britt-Marie find a place where she truly belongs? Funny and moving, sweet and inspiring, *Britt-Marie Was Here* celebrates the importance of community and connection in a world that can feel isolating.

A must-read for fans of Rachel Joyce's *The Unlikely Pilgrimage of Harold Fry* and Maria Semple's *Where'd You Go, Bernadette* 'A touching, sometimes funny, often wise portrait of grief.' Kirkus Heartbreaking and hilarious in equal measure, by the author of the New York Times bestselling phenomenon *A Man Called Ove* will charm and delight anyone who has ever had a grandmother. Everyone remembers the smell of their grandmother's house. Everyone remembers the stories their grandmother told them. But does everyone remember their grandmother flirting with policemen? Driving illegally? Breaking into a zoo in the middle of the night? Firing a paintball gun from a balcony in her dressing gown? Seven-year-old Elsa does. Some might call Elsa's granny 'eccentric', or even 'crazy'. Elsa calls her a superhero. And granny's stories, of knights and princesses and dragons and castles, are her superpower. Because, as Elsa is starting to learn, heroes and villains don't always exist in imaginary kingdoms; they could live just down the hallway. As Christmas draws near, even the best superhero grandmothers may have one or two things they'd like to apologise for. And, in the process, Elsa can have some breath-taking adventures of her own . . .

WINNER of the 2021 Science Writers and Communicators of Canada Book Award WINNER of the 2021 Alberta Literary Awards' Wilfrid Eggleston Award for Nonfiction "Will vaccinate you against misinformation!"--Dr. Jen Gunter, renowned gynecologist and author of *The Vagina Bible* An entertaining and practical guide to getting through the day with less stress and better health, from the host of the hit TV series *A User's Guide to Cheating Death*. We make a ridiculous number of decisions every day--possibly even thousands. We make decisions about when to wake up, how to brush our teeth, what to have for breakfast, how to get our kids to school, the amount of coffee to drink, and on and on. Making so many decisions is tough. It can cause stock analysts to perform progressively worse over the course of a day. It can lead us to make poor decisions about the food we eat--the more brain fatigue we experience, the more junk food we consume. And the more deliberate the decision--that is, the more we need to think about it--the more fatiguing the process. There are many social forces at work that make how and what we choose an unnecessarily anxious process. But it doesn't have to be. In *Relax, Dammit!*, health policy expert Timothy Caulfield takes us through a regular day--from the moment we wake up to when we go to sleep--and shows the underlying science behind our actions and habits. What he reveals is that we make decisions that are based, to a lesser or greater extent, on misinformation. Whether he's studying cell phone use, bike commuting, or raw-milk cheese consumption, Caulfield shows that many of the things we believe to be healthier, safer, or just better, simply aren't. With solid grounding in current and reliable scientific findings, the author points to a less stressful way forward--which means we can all afford to relax a lot more. Insightful, sometimes controversial, and always entertaining, *Relax, Dammit!* is a surprising and liberating guide to modern life.

Newbery Medal winner Sharon Creech's inspired novel tells the story of a boy who fantasizes about who he is in order to discover who he will become. Now with fresh and gorgeous new cover art, this touching tale has received many starred reviews, and was called a "warm, funny, philosophical novel" by Kirkus Reviews. With the backdrop of a large family and a theater as its frame, this is a story about twelve-year-old Leo, who has a talent for transforming the ordinary into the extraordinary. That's why he's called "fog boy." He's always dreaming, always replaying things in his brain. As an actor in the school play, he is poised and ready for the curtain to open. But in the play that is his life, he is eager to discover what part will be his. With the universal theme of finding one's true identity, and set amid a loud, noisy, memorable family, Leo's story is one that all kids will relate to. And there's a full play at the end of the book that kids and teachers can perform!
