I married my stepbrother. No one is more surprised than me. All I wanted was a quiet summer before starting college to catch up on my books and maybe get a summer job. Then he dropped into my life. His name is Gavin Caldwell and he's rich, cocky, arrogant and hot. He's parading around our bridal suite shirtless and pantless. He has no shame and I have to pretend to be in love with him when I hate him. So why can't I stop thinking about him?

When Kacey moves in with her estranged father and his new family, her new friend goes missing and Kacey finds herself at the center of the investigation.

There's nothing worse than a rotten redheaded older brother who can do everything you can do better! Patricia's brother Richard could run the fastest, climb the highest, and spit the farthest and still smile his extra-rotten, greeny-toothed, weasel-eyed grin. But when little Patricia wishes on a shooting star that she could do something—anything—to show him up, she finds out just what wishes—and rotten redheaded older brothers—can really do. Patricia Polacco's boldly and exuberantly painted pictures tell a lively and warmhearted tale of comic one-upsmanship and brotherly love.

Calling Nate Thornhill a rich, cocky, arrogant asshole would be an understatement. He also happens to be stunningly handsome, popular, intelligent, and captain of both the Crew and Lacrosse teams at UVA. I hate him for thinking he's untouchable—not because he's a narcissistic, privileged, borderline-misogynistic heartbreaker—but because he's right. His first words to me were at a Crew House party, and he invited me to have a threesome with him and a random girl. I could've died from the embarrassment, he didn't even know my name at the time, and he didn't care to. After that night, I promised myself to never waste another second thinking about Nate Thornhill. My world becomes a nightmare when I realize my mom's new husband Pierce has a son who's my age...and he's a junior at UVA too. I can't believe my eyes when Nate walks over and sits down next to us at dinner, introducing himself like he's never seen me before in his life. Then I feel his hand on my thigh, underneath the tablecloth with our parents sitting across from us, inching closer and

closer to my panties. My mind goes fuzzy, my heart starts racing, and my body does exactly what I don't want it to do. And then they hit me with the worst news of all...Pierce has an internship lined up for me at his firm, and we're going to live at his Eastern Shore mansion for the summer. I'll be sleeping down the hall from my new stepbrother...arguing with him at every breakfast, sitting across from him at every dinner, watching as he brings an endless string of girls back to his room...secretly wishing I was one of them. Stepbrother Untouchable is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content.

When you're in love with your best friend, life is complicated. When he's also your stepbrother, it's a nightmare. Jane's apparently a magnet for chaos. Because now she's agreed to tutor her stepbrother's enemy, and that sexy bad boy might have a thing for her. She might also love that a tingle surrounds her soul whenever he's close. Throw his two brothers into the mix, dangerous rivals looking to destroy every one of them, and parents controlling her love life. It's safe to say she's wandered into the apocalypse. At least being torn between four hot guys isn't the end of the world. Just kidding. It totally is. But they'll all realize something. Jane's the ruler of her life. No one else. Long live the queen . . . and her kings.

The other women's movement--backlash to liberation.

Is my perfect match on campus one guy or three?I had a filthy fantasy. One so bad that the night before going to college, I had the wildest dream about the all-star football player falling at my feet. I was brought down to reality as I soon found out that life at NYU didn't turn out the way that I hoped. All the social clubs that I joined were a bust and my roommate turned out to be far from my friend, but a bully that I needed to get as far away from as possible. Suddenly, I got a text. Not any ordinary text, but one so dirty that it drove my mind wild. It messed with me. So, I responded. And that's how the texting relationship started and as the texts got dirtier there was only one thing on my mind... who was this guy? Or was it three guys? The message tone changed depending on the time of day. The ones I got first thing in the morning, were so hot that they could turn steel bars into pools of molten metal. The ones in the afternoon were even better but just... different. And the texts I got in the evening were so damn dirty I

For years, I had the worst crush on my stepbrother, Cole Hunter. We used to ride bikes, skateboard and go fishing together - now I couldn't even be in the same room as him without my pulse racing. One cocky half-grin from Cole would have my face blushing while my panties melted. It was insane - and completely humiliating. It was a painful secret that I guarded fiercely. Cole was off-limits. Forbidden. If he knew how I felt, I would die of embarrassment. I avoided Cole for years, until one wild night, when my best friend took me to a club. I thought I was going to see a grunge band, but it turned out to be a much kinkier kind of club. A club where anything goes, and well, things got a little crazy. Make that a lot crazy. No one would ever know what I'd done, right? Then I discovered who the man behind the mask really was...
