It's about kids who make a gingerbread man and as soon as they finish decorating it, it runs away. As a kid, I loved any books involving food so this was a favorite of mine. The illustrations are beautiful.

Gingerbread man An old lady prepared a gingerbread in the shape of a man. She drew a mouth on it with cream and placed two cherries in place of eyes but as she served the crispy gingerbread on a plate to eat gingerbread man jumped up to his feet and ran out of the window . Surprised lady began to dart behind the gingerbread man. On the way a cow saw crunchy gingerbread man sprinting, his delicious smell wafted through her nose

A retelling of the traditional cumulative story about the little gingerbread man who outfoxes himself.

It's a fine morning in Busytown. Everyone is rushing to work. Let's see where they're going.

A collection of folktale and fairy tale adaptations incorporates the author's signature silly animal characters into such classics as "The Three Little Pigs" and "Little Red Riding Hood."

When a class leaves for recess, their just-baked Gingerbread Man is left behind. But he's a smart cookie and heads out to find them. He'll run, slide, skip, and (after a mishap with a soccer ball) limp as fast as he can because: "I can catch them! I'm their Gingerbread Man!" With help from the gym teacher, the nurse, the art teacher and even the principal, the Gingerbread Man does find his class, and he's assured they'll never leave him behind again. Teachers often use the Gingerbread Man story to introduce new students to the geography and staff of schools, and this fresh, funny twist on the original can be used all year long. Includes a poster with fun activities!

This irresistible retelling of the Gingerbread Man by Jim Aylesworth and illustrated by Barbara McClintock is a perfect treat for cookie lovers everywhere.

Run, run as fast as you can! Join the adventure in this interactive fairy tale, brought to life by 10 exciting sounds to enjoy again and again.

A freshly baked gingerbread man eludes many creatures until he meets his match in a clever fox, in a retelling of the classic folktale in which young readers may hear the characters talk by touching specially marked spots on each page. On board pages.
