The Poisonous Cloud: Chemical Warfare in the First World ...

The Poisonous Cloud: Chemical Warfare in the First World War. by Ludwig Fritz Haber. 4.86 - Rating details - 7 ratings - 1 review. The introduction of chemical warfare during the First World War was a major event in the history of military technology. It not only posed an unusual challenge to military thinking of the day, which was largely conventional and wholly unfamiliar with science; it also created a heated moral controversy surrounding the new weapon that did not discriminate ...
